Yearly activities for 2019-2020:

- **Distinguished Lecture Series by Professor Darren Crowdy**
  (Imperial College London)
  Host: Ehud Yariv (Technion)
  
- **Distinguished Lecture Series by Professor Sergei Tabachnikov**
  (Pennsylvania State University)
  Host: Michael Entov (Technion)
  
- **Distinguished Lecture Series by Professor David Jerison**
  (MIT)
  Host: Yehuda Pinchover (Technion)
  
- **Random geometry and stochastic analysis**
  (at the Faculty of Industrial Engineering & Management)
  Organizing Committee: Leonid Mytnik (Technion, IE), Oren Louidor (Technion, IE), Ron Rosenthal (Technion, Math), Dmitry Ioffe (Technion, IE), Omer Bobrowski (Technion, EE), Lorenzo Zambotti (Paris 6)
  
- **Ergodic theorems, equidistribution and counting. A conference in honor of Amos Nevo**
  Organizing Committee: Uri Bader (Weizmann), Uri Shapira (Technion), Barak Weiss (Tel Aviv University)
  
- **Droplets on the Mediterranean**
  (Nahsholim resort)
  Organizing Committee: Ehud Yariv (Technion), Alex Leshansky (Technion), Ory Schnitzer (Imperial College)
  
- **Challenges in probability and statistical mechanics**
  Organizing Committee: Nick Crawford (Technion), Ron Peled (Tel Aviv University), Ron Rosenthal (Technion)
  
- **Gone with the flow**
  More details: TBA
  Organizer: Tali Pinsky (Technion), Pierre Dehornoy (Institute Fourier - Université Grenoble Alpes)
  
- **Math Summer Projects 2020**
  More details: TBA
  
- **Mathematical-Physics Workshop**
  Organizing Committee: Ram Band (Technion), Jonathan Breuer (Hebrew University), Ron Rosenthal (Technion)
